The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307, the Capitol
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Cayuga Lake Protection Plan (CLLP) Project – Sewer in fiscal year 2025. The entity to receive funding for this project is the Cayuga County Water & Sewer Authority. The funding would be used to extend a low-pressure sewer line along the East Shore of Cayuga Lake from the Village of Aurora, NY, South to the Tompkins County line, serving an Estimated 450 homes. The project is an appropriate use of taxpayer funds because it will not only safeguard New Yorks Drinking Water Resources, but it will greatly aide in the Efficient removal of substandard private treatment Systems.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

CLAUDIA TENNEY
Member of Congress
