The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Park Drive Revitalization Project in fiscal year 2023.

The entity to receive funding for this project is the City of Rome, New York located at 198 North Washington Street, Rome, NY 13440.

The funding would be used to implement critical transportation and stormwater infrastructure to support the redevelopment of 60 acres of vacant urban land of former U.S. Air Force ownership to progress identified housing demands, as well as support continued efforts to reinvigorate the community with quality transportation corridors and transportation options to steward a healthy community and region. Bioretention swales, separated bicycle paths, smart street lighting, curbing, transit stops, and ADA improvements will all be included in this reconstruction project.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

CLAUDIA TENNEY
Member of Congress
