The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Village of Oneida Castle Sanitary Sewer Collection System in fiscal year 2023.

The entity to receive funding for this project is the Village of Oneida Castle located at 1 First Street, Village of Oneida Castle, NY 13421.

The funding will be used to provide public sewer to the entire Village of Oneida Castle. It will replace private, deteriorating septic systems by connecting to an existing sewer tributary to the City of Oneida Wastewater Treatment Plant who will also operate and maintain the Village's sewer system. Construction of the proposed project will include approximately 22,000 linear feet of gravity sewer main, 1,100 linear feet of pressure sewer main, 2,500 linear feet of sanitary force main, 7,000 linear feet of gravity sewer laterals, and a pumping station.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

CLAUDIA TENNEY
Member of Congress
