Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Natural Filter Restoration and Climate Resiliency in NY's Southern Tier: Focusing on Watershed Community Resilience in the Upper Susquehanna River Watershed in fiscal year 2023.

The entity to receive funding for this project is the Tioga County Soil and Water Conservation District, located at 183 Corporate Drive, Owego, NY 13827.

The funding will be used for the implementation of water quality and habitat improvement projects including the provision of flood attenuation, climate resiliency, habitat connectivity, and ultimately better water quality for local communities in the Chesapeake Bay Watershed.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

CLAUDIA TENNEY
Member of Congress
