The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307, The Capitol
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Silver Lake Dredging project in fiscal year 2025. The entity to receive funding for this project is the Wyoming County Department of Planning and Development, located at 36 Center Street, Suite C, Warsaw, NY 14569. The funding would be used to dredge built-up sediment on the bed of Silver Lake. The project is an appropriate use of taxpayer funds because it will significantly improve the drinking water quality, as well as the ability for fishing and pedestrian craft to navigate the lake.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

CLAUDIA TENNEY
Member of Congress
