The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307, The Capitol
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Town of Farmington Brickyard Road Tank & Transmission Main Improvements on behalf of the Canandaigua-Farmington Consolidated Water District Project in fiscal year 2024. The entity to receive funding for this project is the Town of Farmington, located at 1000 County Road 8, Farmington, NY 14425. The funding would be used for the creation of a strong, reliable sewer infrastructure for the Town of Farmington. The project is an appropriate use of taxpayer funds because it ensures reliable access to clean water for the residents and first responders of Farmington.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

CLAUDIA TENNEY
Member of Congress
