The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307, The Capitol
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Genesee, Section 219, NY project in Fiscal Year 2027. The entity to receive funding for this project is the U.S. Army Corps of Engineers. The funding would be used for the next phase of the Countywide Water Project to install a new 1.25 million gallon water storage tank. The project is an appropriate use of taxpayer funds because it will act as an essential public health buffer and support the County in providing clean drinking water to residents.

This project has a federal nexus because the funding provided is for purposes authorized by section 8375(a)(376) of the James M. Inhofe National Defense Authorization Act for Fiscal Year 2023 (P.L. 117-263).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Claudia Tenney
Member of Congress
