The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
H-307, The Capitol  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Oak Orchard Community Health, Inc. for its Rural CARE (Community Access, Realignment and Expansion) Initiative in Fiscal Year 2027. The entity to receive funding for this project is Oak Orchard Community Health, Inc. located at 300 West Ave Brockport, NY 14420. The funding would be used for the rehabilitation and reopening of its Lyndonville site, which would provide critical medical and behavioral health services to rural residents. The project is an appropriate use of taxpayer funds because it will ensure residents have access to reliable high-quality healthcare services in their community.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
Claudia Tenney  
Member of Congress
