The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
H-307, The Capitol  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Town of Hastings for Wastewater System Expansion in Fiscal Year 2027. The entity to receive funding for this project is the Town of Hastings located at 1134 US Route 11, Central Square, NY 13036. The funding would be used for the construction of new sewer mains, individual grinder pumps, new sewer connections, three pump stations, and emergency connections with the Fort Brewerton WWTP and the Caughdenoy Pump Station. The project is an appropriate use of taxpayer funds because it will ensure residents have access to safe and reliable sewer service.

This project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
Claudia Tenney  
Member of Congress
