The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307, The Capitol
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Town of Pamela for Wastewater Infrastructure Improvements and Expansion in Fiscal Year 2027. The entity to receive funding for this project is the Town of Pamela located at 25859 State Route 37, Watertown, NY 13601. The funding would be used for the installation of a new low-pressure sewer main within Sewer District No. 9, 103 new grinder pumps, service laterals for properties, and improvements at existing pump stations. The project is an appropriate use of taxpayer funds because it will ensure residents have access to safe and reliable sewer service.

This project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Claudia Tenney
Member of Congress
