The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307, The Capitol

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Village of Dresden for Water System Improvements in Fiscal Year 2027. The entity to receive funding for this project is the Village of Dresden located at 3 Firehouse Ave, Dresden, NY 14411. The funding would be used for the replacement of all Village water mains, including the main from the water storage tank to the village. The project is an appropriate use of taxpayer funds because it will ensure residents have access to safe, healthy, and reliable drinking water

This project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Claudia Tenney
Member of Congress
