The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Genesee County Water Security and Resiliency – Prole Road Transmission Main Project in fiscal year 2024. The entity to receive funding for this project is Genesee County, located at 7 Main Street, Batavia, NY 14020. The funding would be used for the preservation and improvement of drinking water quality and the promotion of water conservation. The project is an appropriate use of taxpayer funds because it will improve drinking water quality and increase critical water security for the county's residents, farms, and industries.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

CLAUDIA TENNEY  
Member of Congress
