Ranking Member  
Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Livingston County Water and Sewer Authority's Regional Water & Wastewater Cybersecurity Improvement Project in fiscal year 2024. The entity to receive funding for this project is the Livingston County Water and Sewer Authority, located at 1997 D'Angelo Drive, Lakeville, NY 14480. The funding would be used for the preservation and improvement of water and wastewater utilities. The project is an appropriate use of taxpayer funds because it will prevent a failure in the county's water and sewer systems due to cyberattacks.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
CLAUDIA TENNEY  
Member of Congress
