The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307, the Capitol
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Public Safety Building Vital Improvements for Safety and Security in Orleans County project in Fiscal Year 2026. The entity to receive funding for this project is Orleans County, located at 14061 Route 31 West, Suite 201, Albion, NY 14411-9382. The funding would be used to rehabilitate and modernize the current public safety building. The project is an appropriate use of taxpayer funds because it would enhance the capabilities of Orleans County law enforcement officers by providing better training facilities, storage space for vehicles and equipment, and help modernize the operations of the Crime Victims Service Office, which will better protect the community.

The project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Claudia Tenney
Member of Congress
