Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Orleans County Public Safety Building Project in fiscal year 2024. The entity to receive funding for this project is the County of Orleans, located at 14016 State Rt. 31 West Suite 201, Albion, NY 14411. The funding would be used for the reconstruction of the outdated Public Safety Building. The project is an appropriate use of taxpayer funds because it will release the current outdated building that is a danger to employees and the public, giving the community a new space that is ADA accessible and prioritized victim safety.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S. Code sections 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

CLAUDIA TENNEY
