The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307, the Capitol
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Resurgence of the Town of Lyons Canal Street District project in Fiscal Year 2026. The entity to receive funding for this project is the Town of Lyons, located at 43 Phelps St., Lyons, NY 14489. The funding would be used for the removal and redevelopment of at least seven blighted, hazardous buildings into a new mixed-use space, including improvements to the water, sewer, and roadway infrastructure. The project is an appropriate use of taxpayer funds because it will significantly improve the Town of Lyons' economic potential and infrastructure.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Claudia Tenney
Member of Congress
