The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
H-307, the Capitol  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Phelps for Sanitary Sewer Distribution Project in the Fiscal Year 2026. The entity to receive funding for this project is the Town of Phelps located at 79 Main Street, Phelps, NY 14532. The funding would be used for the construction of a low-pressure sanitary sewer distribution system. The project is an appropriate use of taxpayer funds because it will protect the quality of drinking water and the local groundwater.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Claudia Tenney  
Member of Congress
