The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
H-307, the Capitol  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Throop for Water Improvements Project in Fiscal Year 2026. The entity to receive funding for this project is the Town of Throop located at 7471 Robinson Road, Auburn, NY 13021. The funding would be used to expand public water connections. The project is an appropriate use of taxpayer funds because it will expand access to reliable, high-quality drinking water in the area.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Claudia Tenney  
Member of Congress
