The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307, the Capitol
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Village of Waterloo for Sewer System Improvements and Wastewater Treatment Plant Upgrades project in Fiscal Year 2026. The entity to receive funding for this project is the Village of Waterloo located at 41 W Main St, Waterloo, NY 13165. The funding would be used for improvements to the sewage collection system in the Village and Town and improvements to the Village's wastewater treatment plant. The project is an appropriate use of taxpayer funds because it will increase capacity, improve filtration, and provide better reliability for the community wastewater infrastructure.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Claudia Tenney
Member of Congress
