The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307, the Capitol
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Village of Geneseo for Water and Sewer System Improvements project in Fiscal Year 2026. The entity to receive funding for this project is the Village of Geneseo located at 119 Main Street, Geneseo, NY 14454. The funding would be used to replace decaying sewer systems. The project is an appropriate use of taxpayer funds because it will ensure adequate and safe sewer services for residents and local businesses.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Claudia Tenney
Member of Congress
