The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307, The Capitol
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Development Authority of the North Country Phase I Army Water Line (AWL) Pipeline Replacement Project in fiscal year 2024. The entity to receive funding for this project is the Development Authority of the North Country, located at 317 Washington Street, Watertown, NY 13601. The funding would be used for the reconstruction of the Army Waterline that provides drinking water to Fort Drum. The project is an appropriate use of taxpayer funds because the waterline is at a high risk of failure due to corrosion and is the primary water source for Fort Drum and its surroundings.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

CLAUDIA TENNEY
Member of Congress
