The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307, the Capitol
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Wayne County Rural Health Services Building Renovation project in Fiscal Year 2026. The entity to receive funding for this project is Wayne County, located at 26 Church Street, Lyons, NY 14489. The funding would be used for renovations of the Wayne County Health, Aging/Youth, Behavioral Health Department building and to modernize equipment for telemedicine and integrated care programs. The project is an appropriate use of taxpayer funds because it will establish a larger, modernized facility to increase capacity to serve citizens seeking behavioral health, aging/youth, and health services, while lowering costs associated with maintaining outdated infrastructure.

The project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Claudia Tenney
Member of Congress
