The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307, The Capitol
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Town of Wolcott Salt Storage Barn Project in fiscal year 2024. The entity to receive funding for this project is the Town of Wolcott, located at 6070 Lake Ave, Wolcott, NY 14590. The funding would be used for the creation of a large salt storage that will protect fresh water from contamination as well as the protection of students and staff across two local school districts. The project is an appropriate use of taxpayer funds because it will protect fresh water, eliminate 4 out of date salt storages, and serve two school districts.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S. Code sections 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

CLAUDIA TENNEY
Member of Congress
